ADVANCED COURSE ANNOUNCED

The Dale Carnegie Training College announced the launch of their Advanced Dale Carnegie Course in India.

The course is targeted at any Dale Carnegie Course Graduate (DCC) looking to extend their skills to a higher level. The ADCC will be launched first in Delhi, then

Bangalore and finally Mumbai.

The course contains simulated corporate scenarios that provide realistic working scenarios. The course has user-friendly features like an engaging content, clear voice over, pleasing graphics, interactive course material and self-paced assessments.
